

PRIYANSHU SINGH | FRONTEND DEVELOPER (fresher)

Sikandra Kanpur Dehat (209715) | +91-7068261642 | priyanshu.code01@gmail.com | [Linkedin](#) | [Github](#) |

[Portfolio](#)

Frontend developer with expertise in React.js, JavaScript, TypeScript, Redux Toolkit, and Tailwind CSS. Proven experience in building responsive web applications, integrating APIs, and developing reusable UI components. Committed to modern frontend development and delivering scalable user experiences.

SKILL

React.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, Tailwind CSS, Redux Toolkit, Context API, REST API, Git, Github, Web development, Project planning, Microsoft office, Problem solving

TOOLS

VS Code, Git, GitHub, Postman, Vercel, npm, Vite, Chrome DevTools, Figma (Basic)

PROJECTS

Klimate Weather Website | React, TypeScript, Tailwind CSS, Recharts, OpenWeather API | [Live View](#) | [View Code](#)

- Built a responsive weather application using React, **TypeScript**, and **Open Weather API** to display real-time weather conditions and multi-day forecasts for searched locations.
- Implemented dynamic location search, asynchronous API integration, and efficient state management to provide accurate and up-to-date weather information.
- Designed reusable, responsive UI components with **Tailwind CSS**, delivering a clean, modern, and user-friendly experience across different screen sizes.

GitHub Profile & Repositories Viewer | React, Tailwind CSS, GitHub API | [Live View](#) | [View Code](#)

- Built a responsive GitHub profile viewer application using React and **GitHub API** to display user information and public repositories
- Integrated real-time API data fetching and dynamic search functionality using asynchronous JavaScript operations.
- Created reusable and responsive UI components with **Tailwind CSS** to deliver an optimized and modern user experience.

PrimePick – E-Commerce Web Application | React, Context API, Tailwind CSS | [Live View](#) | [View Code](#)

- Developed a responsive e-commerce application using React and **Context API**.
- Implemented product filtering, cart management, and dynamic search functionality.
- Optimized reusable component architecture for better scalability.

EDUCATION

High School (10th) | **UP Board** (2020-2021)

Intermediate (12th) | **UP Board** (2022-2023)

Bachelor of Computer Applications (**BCA**) | CSJM University Kanpur | **CGPA:- 8.30/10.00** (2023-2026)

CERTIFICATE

[Java Script \(basic\) HackerRank](#) | [Java Script \(intermediate\) - HackerRank](#) | [React.js - Scaler](#)

LANGUAGES

Hindi - Native
English - Intermediate
